Can somebody please explain to me the difference between the words "hunk" and "chunk". From what I understand, a chunk refers to a separate part of something. But

Yes, pile of junk, piece of junk, hunk of junk, piece of crap, piece of shit, depending on how vulgar you want to be.

Hi all I know "gorgeous" is used when talking about women. but how a woman can reply to a man who called her "gorgeous"? what's the equivalent for a man?

And am I right in saying that a hunk has to be muscular and sexually attractive, so attractiveness alone doesn't qualify a school boy as a hunk? When the term was used commonly in

Hello. I have two questions regarding the two words, "hunk" and "chunk", which to me are very similar and therefore, confusing. First, context: Context 1: He pushed flavored lamb around his

I don't understand this, why "hunk"? Wouldn't be knock the horn or press the horn? what "hunk" means?

Is there anything equivalent on the female side of the gender? Traditionally, the qualities connotated to a stud were positively charged when talking about males but had a great portion of

Pues a mi me parece que la palabra es "a hunk of bread." (Un pedazo de pan) hunch 3. A lump or chunk: "She . . . cut herself another hunch of bread" (Virginia Woolf). The American

Exactly. The singer Elvis made the phrase "Hunka hunka burnin' love" popular when he released his song "Burning Love" in 1972. EDIT: And then I realize I didn't answer your question.
